## **Experts predict the Federal Reserve will raise interest rates in 2018.**

Signs of rising inflation and continued slow but steady growth could lead to continual rate increases through 2018.

### **Lock in low interest rates now before the next increase!**

- Purchase commercial real estate and take advantage of lower interest rates.
- Refinance your existing commercial real estate loan and lock in lower interest rates.

**Call Janet today at (541)464-6894 for a rate quote.**
