## 2021 Board Election

The following are the nominees from the Board of Directors for candidacy in the election of Directors occurring in a few months. Detailed voting instructions will be in the next newsletter. The period for nominations by petition is now open and will close at the end of business on February 1st. To submit nomination by petition requires 130 signatures of current CCCU members (at least age 18). Contact CCCU for details. Nominations cannot be made during the annual meeting on May 19, 2021. If no additional nominees are brought forward and there are the same number of nominees and vacancies, then the election will not occur. If, on the 'record date', yours would be the SSN used for an account and you are 18 or older, you are recognized as the voter. If on the 'record date', the account used an EIN, then any 'signer' to the account is recognized as the 'agent' to vote for that member account. The record date is established a few days before voting starts when a voter list is derived from our account records for the independent election administrator.

### Nominees

**Kelly Beach-** *Running for Re-Election*

Douglas County has always been my home. My husband and I raised our family in Roseburg and have enjoyed and valued our neighborhoods, schools and neighbors. This area has always been rich in what is important to me; family, friends and the beauty of where we live. I retired from Thomas Ireland Incorporated, whose focus is mostly in the Timber Industry and employs approximately 120 people. I am very proud of having been able to assist this company in providing living wage jobs and stability to our community. Being a board member of Cascade Community Credit Union will give me the opportunity to give back to my neighbors, friends, and family.

**Bob Scott**

I graduated high school June 1970. Then four years in the Air Force as a Firefighter. I was on Guam when Saigon fell.

I am (or have been) responsible for the administration and management of training programs, resource management, and emergency services for several fire departments and training organizations. I have been very active as a fire service instructor at State, County, and local levels. I also have experience as a Fire District Administrator and emergency incident commander. I am currently a Volunteer with Lookingglass Rural Fire District and the City Of Roseburg Budget Committee.

I own a one week time share on Waikiki Hawaii. Love swimming with the fishes!

**Guy Kennerly**

Ranching, business and education in Douglas County have been a Kennerly family tradition since 1850. Service to local organizations, including the Winston-Dillard School District, have been important to me and have given me a broad background of experiences. I am looking forward to my grandson having the same or better opportunities that I had growing up here. I feel a responsibility to use my time and experience to help guide CCCU toward future success. I truly would appreciate your vote in my bid for election to Cascade Community Board of Directors.
