First in Credit Unions & Mortgages

Thank you to our wonderful members for voting Cascade Community CU the Reader's Choice 1st in Credit Unions AND Mortgage Brokerages!

Quick saving tip

Consolidating your debt is a way to streamline your monthly payments (for credit card bills, loans, etc.) into one monthly payment at a *lower rate*. Doing this can often wind up saving you hundreds or even thousands of dollars in interest. Consider the impact of using CCCU's Personal Loan verses the average credit card:

Contact our team today to see how we can help you save through consolidation. ✉ loans@cascadecu.org

*APR=Annual Percentage Rate. Payment example: Rate based on "A" credit borrowers. Rate is quoted with AutoPay (Automatic Payments from your share account with CCCU) discount. Rates without AutoPay are 0.50% higher. Monthly payments for a \$7500 Personal Loan at 8.9% APR with a term of 5 years would result in 60 monthly payments of \$155.39 Insured by NCUA. Membership and Credit Qualifications Apply.

Take 1% off our normal Recreational Vehicle rate through April 30th!*

If you're looking to purchase a new or used Recreational Vehicle (including Travel Trailers, ATVs, Side by Sides, and more) we can help! Contact loans@cascadecu.org, call us at 541-672-9000, or apply online today. Refinances from other institutions are also eligible for this limited time special.

Harvard expansion update

Our headquarters has come a long way in 2022! The new Drive-Up ATM is now available for the community to use. In the coming months our Harvard Branch will still be open, but construction is expected to continue on the building addition through September.

*A.P.R. = Annual Percentage Rate. New or Used purchase. Example: Lowest rate is for 'A' credit borrowers, approved collateral, recreational vehicle loans of \$15,000+, up to 4 years. Terms would be 48 monthly payments of \$22.13 per \$1,000 borrowed. Higher rates apply to longer terms. Rates are fixed for the life of contract. Rates include .50% discount for automatic payment. Insured by NCUA. Membership and Credit Qualifications Apply.
