- **Local decision-making**
- **Personalized service**
- **Investing profits back into our community**

## **Fall Financial Tip: COZY UP YOUR BUDGET**

As the weather cools down, it's the perfect time to give your budget a warm refresh. Here are a few fall-friendly money moves:

- Plan ahead for holidays – Start a holiday savings fund now to avoid debt later.
- Check your insurance policies – Make sure you're covered before winter storms hit.
- Trim the extras – Streaming services, unused subscriptions, or takeout habits can quickly add up. Cut back and put that money into savings.

Federally Insured by NCUA. Membership Qualifications Apply.
